

What's Next?

The access management plan is part of an overall corridor plan for Idaho 55. The next steps include:

Fall/Winter 2009/2010

- Distribute the draft Idaho 55 Corridor Plan.
- Work with local jurisdictions to conduct public hearings.
- The corridor plan will be presented to the Idaho Transportation Board.

Winter 2009/Spring 2010

- Publish the final corridor plan.

Updates will be posted to **www.itd.idaho.gov** (click on *Projects, Southwest Idaho* and *Idaho Corridor Study*).

Thank you for attending.
